

A DIFFERENT CONFERENCE FOR A DIFFERENT WORLD

**CFP: NORTH AMERICAN ANARCHIST STUDIES
NETWORK 7TH ANNUAL CONFERENCE
MEXICO CITY, APRIL 28TH ~ 30TH 2017
PROPOSAL DEADLINE: FEB 28TH 2017**

Join us for the North American Anarchist Studies Network (NAASN) Conference, April 28~30 at the Biblioteca Social Reconstruir (BSR) in Mexico City, México.

In this current political climate, NAASN is a means to move beyond research and organize ourselves across divides. We seek to strengthen networks confronting and disrupting the rising tide of fascist hate, patriarchal violence, settler colonialism, ruthless capitalism and intersecting forms of oppression that animate the contemporary historical moment. Let this then be a call to all scholars, misfits, militants, troublemakers, and organizers to join us in the fight for dignity, social justice, community empowerment and collective liberation across the continent and beyond.

**SUBMIT PRESENTATION/WORKSHOP PROPOSALS (UNDER 300 WORDS) OR QUESTIONS TO: 8vaconferencianaasn@gmail.com. PROPOSAL SUBMISSION DEADLINE IS FEB. 28, 2017.
(To inquire about the Vancouver contingent, email ifny@alumni.ubc.ca)**
